

Machabeng

Principal Position

We are currently inviting applications for position of **Principal** at Machabeng College. As Lesotho's leading international school, Machabeng College provides a uniquely high-quality international education to students from southern Africa and elsewhere through the IGCSE leading in the Middle School through to the International Baccalaureate Diploma (IBDP) in the Senior School. To build upon its remarkable record of progress from the school's humble beginnings half a century ago to its unique leadership role in contemporary international education, Machabeng College is seeking a new Principal for 2025.

The new Principal will receive enthusiastic support as CEO from the highly committed Board which has a clear understanding of the essential working partnership between Governance (the Board) and Management (the Principal and the staff). If you are interested in exploring this exciting and rare opportunity, please contact our Lead Consultant, Dr Stephen Codrington, by e-mail at stephen@optimalschool.com to arrange a conversation about this position, or to ask any questions, or to obtain a copy of the full 16-page Opportunity Statement
